Re: OPRA Request NJSA 47:1A to -11, Common Law Right of Access to Public Records

Dear Mr. Carroll:

Please accept this correspondence as a formal OPRA request for the following information on Confidential Aide Kirk Eady.

As you are aware, per the personnel profiles supplied to us, Kirk Eady's current title is Confidential Aide and he has taken a yearly leave of absence from his previous law enforcement title of Captain County Corrections for the past 6 years. Please supply the authority, title, symbol, description or resolution which authorizes his current use of the title "Deputy Director", a title he has never held, together with a description of his duties.

I have attached a courtesy copy of his profile for your ease of reference.

Thank you in advance for your prompt attention to this matter.

Very truly yours,

Patricia Aiken
